

A REPORT ON COLLOQUIUM

The department of Computer Science and Engineering at SECAB Institute of Engineering and Technology had organized a colloquium on Trends in The Software Domain and Career Opportunities in the academic year 2022-23 on 1st April, we had invited the following well-known industry expert Mr. Salman Usmani a Senior System Platform Architect from the Master Card organization as a speaker.

Our beloved principal Dr. R B Khadiranaikar sir and HOD of the CSE department Dr. S A Quadri sir were also present on the dice.

The formal function has begun with welcoming guests and felicitation of the guests and watering the plant.

Our students are able to gain knowledge of trending technologies and career guidance from our expert.
