Other Collaborators outside IEEE	-
Total number of attendees	28
Total number of attendees who are IEEE members	00
Total number of attendees who are non-IEEE members	

Event Summary

The **Computer Fundamentals & Digital Literacy Workshop** was successfully organized by the **IEEE CEDA Bangalore Chapter** in association with the **IEEE Student Branch, SECAB Institute of Engineering & Technology (SIET), Vijayapura** for SECAB PU school students. The workshop aimed to enhance digital literacy and equip participants with essential computer skills required for academic and professional growth.

The five-day workshop covered fundamental topics such as computer hardware and software basics, operating system concepts, file and folder management, MS Office applications (Word, Excel, and PowerPoint), internet usage, email communication, digital safety, and cybersecurity awareness.

The workshop successfully fulfilled its objective of promoting digital literacy among young learners and encouraging them to embrace technology for education and future career opportunities. The event also highlighted IEEE's commitment to community outreach and skill development through quality educational initiatives.

Event Marketing, Promotion Strategy and Event's Poster/s

1. Design and circulate e-posters through WhatsApp groups of PU colleges and schools.
2. Publish event announcements on SIET and IEEE Student Branch social media platforms
3. Create LinkedIn event posts highlighting workshop benefits
