

Date: 15.08.2024

Event Report

Academic year:2023-24	Semester: SECAB.I.E.T., MSPT & MSIA students
Name of the Event: Independence day	Date of the Event: 15.08.2024
Time: 8:00AM	Venue: SECAB.I.E.T. Playground

Objectives of the Event:

Celebrating Independence Day serve multiple objectives, contributing to both the academic environment and the personal development of students. Here are some key objectives:

1. **Patriotism and National Pride:** Foster a sense of national pride and patriotism among students. Celebrating Independence Day helps remind students of the nation's history and the values of freedom and democracy.
2. **Cultural Awareness:** Enhance students' understanding of national heritage and cultural traditions. Events and activities around Independence Day can include historical insights, traditional performances, and educational sessions that enrich students' knowledge.
3. **Community Building:** Strengthen the sense of community and unity within the college. Independence Day celebrations can bring students, faculty, and staff together, creating a shared experience and enhancing campus spirit.
4. **Leadership and Organizational Skills:** Provide opportunities for students to develop leadership and organizational skills. Planning and executing events require teamwork, coordination, and problem-solving, which are valuable skills in both academic and professional settings.
5. **Holistic Development:** Promote holistic development by encouraging participation in non-academic activities. Celebrations can include sports, debates, cultural performances, and other activities that contribute to personal growth and well-being.
6. **Social Responsibility:** Inspire students to reflect on their role in society and their responsibilities as future engineers. Independence Day can be a time to discuss and engage in community service or projects that align with national development goals.
7. **Historical Reflection:** Offer a platform for reflecting on the historical significance of Independence Day. Events can include guest lectures, documentaries, and discussions about the nation's journey and progress, providing educational value beyond the classroom.

- 8. Creativity and Expression:** Encourage creativity and self-expression through various forms of celebration such as musical performances, and speeches by students. This can help students showcase their talents and explore new interests.

By focusing on these objectives, Independence Day celebrations are meaningful and enriching for all participants.

Details of Event:

SECAB Institute of Engineering & Technology in association with IIC , Malik Sandal Institute of Art & Architecture and Malik Sandal Polytechnic jointly organized Independence day celebration on the occasion of 78th Independence day on 15th August,2024 in SECAB.I.E.T Playground.
