Time: 8:00AM	**Venue: SECAB.I.E.T. Campus**

SECAB Institute of Engineering & Technology in association with IIC , Malik Sandal Institute of Art & Architecture jointly organized Republic day celebration on the occassion of 76th Republic day on 26th January,2025 in SECAB.I.E.T Campus with students and staff participating actively.

Objectives of the Event:

1. Instilling Patriotism and National Pride

- **Objective:** To foster a deep sense of patriotism and respect for the Indian Constitution among students and staff.
- **Impact:** Students are reminded of the sacrifices made by freedom fighters and the importance of being responsible and active citizens. Celebrating Republic Day reminds them of their duty towards the nation.

2. Promoting Unity in Diversity

- **Objective:** To celebrate India's rich cultural diversity and highlight the concept of national integration.
- **Impact:** Students from different regions and backgrounds come together to celebrate the common thread of being Indian. Cultural programs and performances promote mutual respect and understanding.

3. Honoring the Constitution of India

- **Objective:** To raise awareness about the significance of the Indian Constitution and its role in shaping the nation.
- **Impact:** Students learn about the values of justice, equality, and democracy enshrined in the Constitution, and the responsibilities they hold as citizens and future professionals.

4. Inspiring Future Leaders and Professionals

- **Objective:** To encourage students to contribute positively to the nation's growth, especially in the fields of technology and engineering.
- **Impact:** The event can be a platform for motivational speeches and discussions about how students can play a role in nation-building through their education and skills.

5. Fostering a Spirit of Cooperation and Teamwork

- **Objective:** To encourage teamwork, collaboration, and leadership among students and faculty members.

- **Impact:** Organizing the Republic Day celebration itself promotes cooperation among different departments, student councils, and cultural teams. Students work together for a common cause, reinforcing team-building skills.

6. Creating Awareness about National Issues

- **Objective:** To highlight current national issues and inspire students to think critically about societal problems and solutions.
- **Impact:** Discussions and speeches focus on themes related to national development, technology's role in progress, or social issues, helping students reflect on their place in the larger context of the country.

7. Encouraging Civic Responsibility and Integrity

- **Objective:** To remind students of their role as responsible citizens who contribute to the well-being of society.
- **Impact:** Through speeches and discussions, students are encouraged to adopt values such as honesty, integrity, and civic responsibility in both their personal and professional lives.

8. Strengthening College Spirit and Identity

- **Objective:** To build a sense of pride and identity within the college community.
- **Impact:** Republic Day celebrations serve as a reminder of the values and vision of the college, reinforcing the bond between students, faculty, and the institution as a whole.

These objectives aim to shape well-rounded individuals who not only excel in their academic pursuits but also develop a deep sense of duty, responsibility and respect for the nation and its values.
