

# RESUME

**Mr. Sunil Thaned**

E – Mail: [thanedsunil@gmail.com](mailto:thanedsunil@gmail.com)

Mobile No. : 09766031637

## Educational Qualification

- **Master of Technology** with specialization in **Thermal Power Engineering** from Visveshwaraya Technological University in 2013 with 65.94 %.
- **Bachelor of Engineering in Mechanical Engineering** from Visveshwaraya Technological University in 2008 with 56.88 %.
- PUC from Basaveshwar Science College Bagalkot.
- SSLC from MGMK English Medium School, Muddebihal .

## Skill Set

CAD Software	-	CATIA V5 , AUTO CAD,
Programming	-	C Language
Documentation	-	Office ( Word , PowerPoint , Excel )
Operating System	-	Windows ( 98 , 2000 , XP )

## Professional Experience

**Industrial Experience : 3 Years**

**Academic Experience : 6 ½ Years**

### ❖ August 2017 to till date

Organisation Name : Secab Institute of Engineering and Technology,Vijayapur

Organisation Profile : Engineering Education Institute

Designation : **Assistant Professor (Mechanical Engineering Department )**

Job Profile:

- Teaching, evaluation, tutorials for courses at Under Graduate level.
- Curriculum development & modernization.
- Development of Laboratory manual, Laboratory experiments design.
- Department Responsibility: Departmental Parents meet In charge, Heat and Mass Transfer Engineering Laboratory - In charge.
- Department Coordinator : Placements and Mentorship.
- Under Graduate courses taught : Applied Thermodynamics, Heat and Mass Transfer, Industrial Fluid Power, Fluid Mechanics, Applied Hydraulics, Basic Mechanical Engineering.

❖ **February 2013 to August 2017**

Organisation Name : Sanjay Bhokare Group Of Institutes, Miraj

Organisation Profile : Engineering Education Institute

Designation : **Assistant Professor (Mechanical Engineering Department )**

Job Profile:

- Teaching, evaluation, tutorials for courses at Under Graduate level.
- Curriculum development & modernization.
- Development of Laboratory manual, Laboratory experiments design.
- Department Responsibility: Departmental Time Table In charge, Heat and Mass Transfer Engineering Laboratory - In charge.
- Responsibility as Third Year B.E Mini Project Facilitator (Mechanical Engineering Department).
- Coordinator for Short Term Training Program on Teaching Pedagogy.
- Under Graduate courses taught : Applied Thermodynamics, Heat and Mass Transfer, Industrial Fluid Power, Refrigeration and Air Conditioning, Basic Mechanical Engineering,

❖ **May 2010 to October 2011**

Company Name: Bell Ceramics Limited.Hoskote, Bangalore

Company Profile: Ceramics.

Designation: Production Engineer.

**Work Profile:**

- Milling Plant Operation.
- Preparation of Bill of Materials.
- Preparation of Annexures for cutting the materials.
- Preparation of process Sheets for production planning.
- Preparation of stage, process and final inspection reports.

❖ **June 2009 to April 2010**

Company Name: Asmet Industries Pvt Ltd.Peenya ,Bangalore.

Company Profile: Fabrication .

Designation: Production and Planning Engineer

Job Profile:

- Preparation of Bill of Materials.
- Preparation of Annexures for cutting the materials.
- Preparation of process Sheets for production planning.
- Preparation of stage, process and final inspection reports.

❖ **June 2008 to May 2009**

Company Name: Hynumat International , Bangalore.

Company Profile: Manufacturer & Supplier of Special Purpose Machines.

Designation: Production and Planning Engineer

Job Profile:

- Preparation of Bill of Materials.
- Preparation of Annexures for cutting the materials.
- Preparation of process Sheets for production planning.

- Preparation of stage, process and final inspection reports.

## Projects & Seminars

### ❖ Master of Thermal Power Engineering.

Dissertation:-

“Studies on the Injection Strategy and Combustion Chamber Geometry on the performance of Honge Oil Methyl Ester”.

Seminars:-

- I) Thermal Cutting of Glass Plate.
- II) Effect of Combustion Chamber Shapes.

### ❖ Bachelor Mechanical Engineering

Project: - “Automatic Guided Vehicle with Rotary Platen.”

Seminar: – “Automatic Guided Vehicle – The Special Purpose Vehicle”

## Other details

Active Participation:

- Participated two day workshop on “ Design Consideration in Automobile Industries ” at SBGI
- Participated one day workshop on “ Entrepreneurship Development” at SBGI
- Completed One Week STTP on “ Teaching Pedagogy ”
- Attended one day workshop on “ Teaching Methodology for B.E. ( Mech – Revised ) Part- I & II
- Participated in one day workshop on “ Self Awareness ”
- Participated in seminar on Alternative Fuels for Automobiles

### Paper Presented:

- Effect of Swirl on DI Diesel Engine Operated With Honge Biodiesel.
- Influence of Swirl on the Performance of Honne Oil Methyl Ester in a DI Diesel Engine. Vol. 2 Issue 10, October - 2013
- Optimization of Combustion Chamber Geometry for a Direct Injection Diesel Engine: A Review Vol. 3, Issue 6, Nov-Dec 2013,
- Effect of Hematite Filler Material on Mechanical Properties of Glass/Epoxy Composites. Vol. 2, Issue 11, November 2013
- Effect of Different Filler Materials on Mechanical Properties of Glass/Epoxy. Vol. 1 Issue 6, November-2013

**Training:**

- Industrial Visit of one day to “Gomtesh Cold Storage, MIDC Miraj.
- Industrial Visit of one day to “JK Ice Factory MIDC Kupwad.
- Industrial Visit of one day to “Sudhaseet Engineers, MIDC Miraj.

**Personal Details**

Birth Date : - 18 June 1984  
Gender : - Male  
Marital Status : - Unmarried  
Languages known : - English, Hindi, Kannada

Permanent Address - “ Sangameshwar Nagar Muddebihal Dist : Vijaypur State : Karnataka.  
PIN. – 586212

I hereby declared that the above stated information is true and as per my knowledge.

Yours Sincerely,

Sunil Thaned
